## OBJECTIVE

---

Highly motivated 3rd year Computer Science student with strong programming, Data Structures, and Algorithms skills, eager to contribute to innovative projects and learn from industry leaders through an internship opportunity.

## EDUCATION

---

**B.Tech in Computer Science**, Viswam engineering college Expected 2026  
Percentage: 80

**Intermediate (MPC)**, Govt.JR,college,Mulakalacheruvu 2020 - 2022  
Percentage: 61

## SKILLS

---

<b>Programming Languages</b>	C, C++, Python, HTML, CSS, Java
<b>Frameworks/Libraries</b>	Bootstrap, Django, NumPy, Pandas
<b>Databases</b>	MySQL, SQLite
<b>Developer Tools</b>	Git/Github, Google Colab, VS Code, Anaconda
<b>Academic Coursework</b>	Data Structures, Operating Systems (Windows, Unix/Linux), CN, OOP, DBMS
<b>Certifications</b>	Generative AI (skilledunia)

## EXPERIENCE

---

**Artificial Intelligence Development Intern** April 2024-June 2024

- Developed and deployed the "Food Ordering System," a comprehensive online platform using AI tools and user experience.
- Implemented key features including user authentication, payment gateway integration, and order processing, enhancing security and reliability of transactions.
- Deployed the application on AI tools, ensuring scalability and reliability, with an estimated 20% improvement in order processing efficiency based on design optimizations.
- Developed essential soft skills in teamwork, communication, problem-solving, project management, adaptability, leadership, and a strong work ethic, contributing significantly to my professional growth.

## PROJECTS

---

**FOOD HABITS** The primary objective of this project is to explore and understand the diverse food habits, practices, and traditions across different cultures, regions, and communities. It will examine how geography, history, religion, and social influences shape food choices and dietary preferences. The project aims to highlight the significance of food in shaping cultural identities and its role in promoting health, sustainability, and social connections. ([Try it here](#))

## EXTRA-CURRICULAR ACTIVITIES

---

- Actively Participated in college fests and plays a role Host/Anchoring HOST, And entertain the students through my own way
- Actively Participated in college TECH fests also and motivate the students to participate in event and activities in the program
